Subject: next CFAC meeting

Hi, Mike,

It was great to meet you last September at the public meeting for the CFAC Superfund Site. You may remember we talked about how Flathead Land Trust and our Flathead River to Lake Initiative partners are interested in a potential conservation/community option for the approximate 800 acres south of the Flathead River owned by CFAC. I planned to keep in touch by attending future CFAC meetings. Our Executive Director, Paul Travis, attended the meeting in November. I was hoping to attend the next meeting and wondered if the next meeting date had been set yet.

I look forward to seeing you again soon. Hope you had a great holiday season!
